2 Supplier information

Company name ESBE AB		Company reg. no/DUNS no				
Address Bruksgatan 22		Contact person				
SE-333 75 REF	SE-333 75 REFTELE			Telephone +46 371 570 100		
Website: www.esbe.eu			E-mail order@esbe.eu			
Does the company have an environmental management system?			⊠ Yes	□No		
The company possesses			Other	If "other", please specify:		
Other information:						

3 Product information

Country of final manufacture Sweden If country cannot be stated, please state why							
Area of use Hot Water- and Heating installations							
Is there a Safety Data Sheet for this product?				Not relevant ■	Yes	□No	
In accordance with the regulations of the Swee Chemicals Agency, please state:	dish	Classificati Labelling	on Candid	☐ Not relevant			
Is the product registered in BASTA?					Yes	⊠ No	
Has the product been Criteria not foun eco-labelled?							
Is there a Type III environmental declaration for the product?					Yes	⊠ No	
Other information: See product data sheet a	at ES	BEs home	page.				

4 Contents (To add a new green row, select and copy an entire empty row and paste it in)

At the time of delivery, the product comprises the following parts/components, with the chemical composition stated:										
Constituent materials/ components	Constituent substances	Weight % or g	EG no/ CAS no (or alloy)	Classifi- cation	Comments					
Brass	CW 625 N	98%	12597-71-6		SV HC- subject (lead)					
Plastic	PA6	2%	25038-54-4							

Other information: Lead is included in the candidate list (SV HC subject). Reporting to Echa is done by the raw material supplier.										
If the chemical composition of the product after it is built in differs from that at the time of delivery, the content of the finished built in product should be given here. If the content is unchanged, no data need be given in the following table.										
Constituent materials/ components										
Other information:
